#### **Second District Methamphetamine Eradication - \$300,000**

Daviess County Sheriff's Department  
212 St. Ann Street  
Owensboro, KY 24301

Kentucky faces unique challenges in the fight against methamphetamine use and production. The rural nature of the Second District has allowed meth producers to flourish, creating major challenges for affected communities. These funds will provide local law enforcement with the resources they need to address and eradicate this epidemic.
